Unfortunately, we have no resources to cope with all possible kinds of main server (mic) behavior. If you believe you have a problem reliated to your mail server and want to solve it quickly, try to get and use an email address from one of major mail hosts, such as a Google Mail, Yahos Mail, or Netmail. You will be able to change your email adress in EssyChair or have multiple amail addresses associated why your account later. You can repeat your application at any time. Another email will be sent to you.
